# PIROMAGIA

Piromagia srl nasce nel 2009 in un piccolo paese del Beneventano noto per le sue feste popolari e le tradizioni di fuochi d'artificio.

I fondatori Gaetano e Carmelina, marito e moglie, decidono di trasformare la loro passione in un'impresa. Inizialmente, l'azienda si concentra sulla vendita di piccole quantità di fuochi per eventi locali, ma la caparbia e perseveranza rendono Piromagia un'azienda che quotidianamente opera sul panorama pirotecnico nazionale e internazionale.

Punto forte di piromagia è la sua capacità di gestire la logistica e di servire i propri clienti su tutto il globo.

Piromagia ha un solido sistema di distribuzione e approvvigionamento, con ben 4 depositi di materiale esplodente per garantire tempi di consegna rapidi e sicuri. Le spedizioni sono curate nei minimi dettagli, per garantire che i fuochi d'artificio arrivino sempre

in perfette condizioni, con particolare attenzione alla sicurezza durante il trasporto. Offriamo servizi aggiuntivi, come la consulenza per la progettazione di spettacoli pirotecnici su larga scala, sia per i clienti diretti che per i grossisti. I rivenditori all'ingrosso possono così beneficiare di consulenze tecniche, formazione per l'uso sicuro dei prodotti, e di una rete di supporto per garantire il massimo delle prestazioni.

La capacità di adattarsi ai cambiamenti del mercato, di offrire prodotti sicuri e innovativi e di costruire relazioni di lungo periodo con i propri distributori sono i nostri punti di forza; Piromagia è la testimonianza di come la passione, l'innovazione, il sacrificio e una forte rete di distribuzione possano trasformare una piccola attività nell'azienda che siamo.
